

**WE DON'T WANT TO BECOME A BUSIER CHURCH.
WE WANT TO BECOME A MORE EFFECTIVE ONE.**

So, we're streamlining all our weekday courses, training and events into an eight-week quarterly cycle of Monday Nights. We call it **Monday Night Life** and it'll help simplify and focus all of our lives, leaving the rest of the week for small groups as well as open space in your life and ministry.

HOW IT WORKS

Week 1 kicks off with Vision Night, an envisioning and input time for all leaders, volunteers and contributors (all sites). This evening includes our corporate prayer meeting. Then weeks 2 – 8 are filled with courses, events and training evenings. For all our small group leaders, week 5 will be kept open for CLT dinners in homes. We aim to run four 8-week cycles per year.
